The Times' special dispatch, dated Washing ington 19th, says: Kennedy and Dr. Coleman, of Louisiana, are here. They have come with the intention of procuring the displacement of General Banks, their cause of complaint being his removal of Dr. Kennedy from the mayoralty of New Or leans, to which he had been appointed during the absence of Gen. Banks. This step, which was absolutely necessary to save the city from disloyal men, into whose hands, under Mayor Kennedy's rule, it was rapidly falling, met the hearty approval of all loyal citizens. From the most authentic sources we learn that the efforts of these gentlemen against Gen. Banks have been Prep fruitless. FOR MORE THAN TWENTY YEARS MATHEWS' VENETIAN HAIR DYE has stood the test of trial, and is constantly increasing in public favor. THE VENETIAN HAIR DYE is the best and cheapest made. Its price is only 75 cents, and each bottle contains double the quantity of dye in those usually sold

THIS HAIR DYE is manufactured by a peculiar process, which renders it infinitely superior to any dye in market. Being complete in one bottle, no preparation IN USING THIS DYE you avoid that RUSTY, DEAD apbearance by which dyed hair and whiskers are so readily cognized, when an inferior article has been used, as it oduces a perfectly natural color of any shade that is desired, from a rich brown to a jetty, lustrous black, that will not smut, crock, or stain the clothing. Invest 75 cents and you will be convinced. Sold by all Drug-
